
**FRENCH GRADUATE SCHOOL
OF SCIENCE, ENGINEERING AND MANAGEMENT**

**MINES
NANCY:
INFORMATION
SHEET
2017**

WWW.MINES-NANCY.UNIV-LORRAINE.FR

ORGANIZATION:

- ◆ **Member of Université de Lorraine** (54000 students)
- ◆ **Strategic partner of Institut Mines-Télécom (IMT)**
- ◆ **Founding member of Artem, the alliance with ICN Business School and the National School of Art and Design of Nancy**
- ◆ **3-year programs leading to a Master's degrees**
- ◆ **Project-based education**
- ◆ **Programs also include Business Management and Economics, Foreign languages & cultures, Humanities, Project Management**

ENGINEERING PROGRAMS:

“Ingénieur Civil des Mines”:

Energy: Fluid & Mechanics or Processes & Environment

Industrial Engineering

Applied Mathematics

Computer Science & IT

Material Science & Engineering

Civil & Mining Engineering

Specialized Master's degrees:

Materials and Production Management

Mechanical Design Engineering

International Master's degrees:

Security of Computer Systems

Mineral Raw Materials & Risk Engineering Management

ADMISSION PROCESS:

- ◆ **Application for enrollment in September (semester 1):** from November to February (overseas) / from February to April (EU students)
- ◆ **Application for enrollment in February (semester 2):** from September to December

STRONG POINTS:

Academic Program based on a High Qualified Scientific Research:

Institut Jean-Lamour - Materials, Metallurgy, Nanoscience, Plasmas & Surfaces

LEMTA - Theoretical & Applied Energetics & Mechanics

ERMéP - Research team on Mechanics & Plastics

CEPOR - European Center of Rapid Prototyping Tools

Georessources Lab - Geology, Mineral & Energetics Resources

LORIA - Computer science & IT

IECN - Mathematics

Individual and personalized support throughout the mobility:

accommodation and administrative issues, orientation week, French language classes, buddy program, educational mentoring...

Heart of Europe (100 km from Germany, Belgium, Luxemburg, Switzerland) **and 90 mn only from Paris by train**

Multicultural environment: 25% international students from more than 20 countries

Campus in the city center, low cost of living

Real student life (+60 student clubs & associations)
